

Colored Pencil Workshop

Anda Chance, CPSA

It's time to sharpen your pencils and improve your artistic skills in this three day workshop! Using elements of design and a few supplies, you will gain new skills and get fantastic results! This workshop is limited to 12 people, so you'll want to register quickly.

- *Introduction to colored pencils*
- *The importance of design and cropping*
- *Transferring an image onto your drawing paper*
- *Looking at the color wheel differently*
- *Make your own value chart with color pencils*
- *Under-painting with colored pencils*
- *Building up color and applying principles of color*
- *Address individual concerns and complete your work*

SUPPLIES YOU WILL NEED (paper and image will be provided):

PrismaColor Pencils (minimum set of 24 – NOT VERITHINS!)

PrismaColor brand is strongly suggested!

Graphite pencil

Kneaded eraser

Straight edge

Hard surface to draw on

Drawing shield

Scotch tape

Electric pencil sharpener (these may be shared with a friend)

Individual table light if you have one (clip-on or battery operated)

Note taking supplies
